This is a legal document with important consequences – READ IT CARFULLY!

I realize that this event is a foot race over a twisting course, which is not designed for running, nor for crowds. I realize that more than one thousand runners are expected. I am aware that the crowds of runners, adverse physical conditions, and possible adverse weather conditions may result in hazardous conditions on the day of the race. With knowledge of the above warnings, I intend to participate in, or allow my child to participate in, this race, and I assume all risks involved in said participation.
In consideration of my entry and the granting of permission to run the race, I hereby for myself, my heirs, and assigns release the State of California, the Big Sur River Run Committee, a nonprofit organization, and/or any of its officers, members, sponsors, employees, volunteers, and other persons or associations from any claim and cause of action by reason of any injury which may be sustained in connection with my participation in, or related travel by me or my children.
I confirm that I am physically fit, and capable of completing the Run.
